closing on July 1, 2014. She also worked at Madonna Rehabilitation facility in Lincoln for 2 years.

I am very happy to join the staff at Mid-Nebraska Lutheran Home. Although this will be a new experience for me, I am excited to continue learning new areas in nursing and am ready for the challenge.

## *Assisted Living Director/ Staff Development Coordinator*

Hello, my name is Shawna Heggemeyer. I am a RN. On July 1, 2014 I began my duties as the Assisted Living and Staff Development Coordinator for Mid-Nebraska Lutheran Home and Newman House. I started at MNLH as a charge nurse in December 2013.

I grew up in Bloomfield and graduated from Bloomfield High School. I attended nursing school at the College of Saint Mary in Omaha and have 16 years of nursing experience, in both acute and long term care. Ten of those years I was a director of nursing.

I currently live in Norfolk. I have 2 daughters, Maddie (16) and Eden (9). They attend school in Battle Creek and I keep busy attending their school and sporting events. In my free time I enjoy spending time with my family and friends. I love the outdoors and in some of my free time I like to go boating and camping with friends and travel.

"I am very pleased to be an employee of Mid-Nebraska Lutheran Home and look forward to bringing my nursing experience and knowledge to this new position.."

## Testimonial

I have been a resident at the Newman House since May 2010, following open heart surgery. I know the time had come when I knew the time had come when I knew I couldn't live alone any longer. I had already given up driving my car and I didn't want to have to depend on my family for things I had been able to do for myself.

I contacted the Social Director at the Home to select an apartment for me when one came available and on the 3rd of May my family moved me in. After some disappointments moving from a big house to a studio apartment, I am very comfortable living here.

It is nice to not have to cook, do laundry, or clean my own room. The many volunteers who come for Bible Studies, music programs, monthly birthday parties, bingo, sing a-longs and Chapel Services every Sunday. We are very well taken care of everyday. What more could we ask for?
