Happy Holidays

I always love this time of year with all the decorations, from lighting up our towns, as well as our residents rooms, to the halls decked out in Holly. But, as a reminder with lighting décor, please have all cords checked for cracks, wear marks, or frayed ends. Please remember, in our facility no multi-plugs or extension cords are allowed. The Fire Marshall's office (aka Grinch) does not approve of these items, due to fire hazards. Also please remember any door decorations on the outside of the door need to be fire resistant. They have to have a tag on it stating that they are fire resistant or are medal. This includes the Nursing Home and Assisted Living.

Thanks, from the Maintenance Department

A Reminder

It is that time of year where we are changing out clothes in resident's closets or they are getting gifts for the holidays. Please just remember that their names need to be marked and have put on their inventory. This way nothing is getting lost or misplaced.

Thanks, from the Laundry Department

Donations & Memorials

An excellent way for you to support Mid-Nebraska Lutheran Home's mission is to donate. Your tax deductible gift can be in many forms such as cash, real estate, life insurance, crop or live stock, or to leave the facility a bequest in you will or living trust. Another benefit is that you are able to leave a lasting legacy.
